## YALE TEAM QUITS CAMP AT MADISON FOR WORK AT BOWL

Madison, Conn., Sept. 18.—Fifty Yale football warriors to-day broke camp here closing their fortnight of preliminary drill on a field constructed on the links of the Madison Golf Club. Head Coach Frank Hinkley hoped to close the training here with two days scrimmaging and he has had his wish although the midsummer weather conditions which have prevailed this week, have prevented anything like strenuous physical exercise.

Yale will this year come the nearest to playing a midsummer football game in the history of the sport. The eleven will open its season five days before the fall term of college begins, playing its first match next Saturday with the University of Maine. College will not open till the following Thursday. The eleven will begin its training on Yale Field next Monday and will have only five days' scrimmaging before its bout with Maine. All the scheduled games are expected to take place in the new Bowl this fall.

Yale's lineup for its first scrimmaging will be as follows, with possibly a single exception:

Left end, Church; left tackle, Gates; left guard, Wiley; center, Vayns; right guard, Kostelky; right tackle, Baldridge; right end, Allen; quarterback, Bentley; left half back, Captain Wilson; right half back, Waite; full back, Gurney.

This lineup is full of surprises, as it does not include such veterans as Higginbotham and Hubbard, ends; Betts, Kent and Von Holtz; Conroy, Farrar and Walden, guards; White, center; Scoville and Easton, halfbacks; and LeDuc, back, nor Ken Smith, end; Black, guard; Thompson, Wisner and Hutchinson, quarterback; of the freshmen last year, who have been regarded as "varsity material."

No indication has been given that Captain Wilson will resume his old position as quarterback. He says that there has never been more than a possibility that he will go to end. He has been used at halfback lately since the summer report and will undoubtedly begin the season in that position.

## Attach Boston Club Receipts in Argument Over Player Compton

St. Louis, Sept. 18.—Boston's share of the late receipt of the St. Louis Eastern National League has been yesterday was attached by deputy sheriffs.

Attachments was the result of a suit for \$9,000 filed by the Kansas City Association club against the Eastern National League. The Kansas City club asked in its suit \$4,000 alleged to be due for Player Bash Compton and \$5,000 for the non-delivery of two players, Lawrence Gilbert and Richard Crutcher.

## Say Crawford Would Break Record If He Played in Philadelphia

"If Sam Crawford played with the Phillies he'd smash all existing records for home runs per season," asserts an enthusiastic supporter of Wahoo.

"Crawford is a terrific hitter, but most of the right fields in the American league are very deep and it's a difficult trick to put the ball over the outfielder's head. But the right field in the Phillies park is the shortest in the country and I'd like to make a bet that Crawford, playing seventy-seven games per year on that field would put the ball over the fence at least fifty times."

Well, now, if the Tigers and Phillies should mix it up in the world series old Wahoo would have a chance to demonstrate.

## Harvard Players Are Ready for Heavy Work

Cambridge, Mass., Sept. 18.—The first week of football ended at Harvard yesterday with nearly three hours' drill for the men, who will now have until Monday for rest.

In the engagement between the first and second "varsity" teams the players showed great improvement, and proved that they are ready for actual football next week. Two important shifts were made in the first team. Last year's frame center, Wiggins, was in the middle of the line, while Parson, a "varsity tackle" last year, was in his regular place on the left wing. Parson's return to his position caused the coaches to send Damm, a heavy player from Tufts College, back to the second "varsity" lineup.

Perry Haughton prevailed upon Leo Leary to come out to his coach the end, but Leary, who has produced so many good ends during the past six years for Harvard, said his presence had no significance, as he will be unable to be a regular staff coach this fall.

## YOUNG O'LEARY LOOKING FOR BOUTS IN THIS CITY

Sporting Editor of The Farmer.—"Young O'Leary, the crack New York bantam weight boxer, who has fought nearly every bantam weight in the country, and holds decisions over Johnny Coulton, Monte Atteli, Frankie Burns, Tommy O'Toole, and others, is seeking engagements at Bridgeport, and would like to hear from the local promoters. Will meet Billy Bevan, Johnny Ertle, Al Schubert or anyone at 116-118 pounds ringside. Address H. Schaeffer, 1794 Park Place, Brooklyn, N. Y."

William E. Fitch, former president and general manager of the Duluth, South Shore & Atlantic railroad, died at Marquette, Mich.

## ASTOR CUP AUTO RACE ON NEW SPEEDWAY IS BIG EVENT

Men Johnston Beat to Win Tennis Title — Other Sport Notes.

New York, Sept. 18.—Since 1910, when the last of the Vanderbilt Cup contest was decided over the Long Island roads, no auto race of national importance has been held in the vicinity of New York. Today, however, when the new Sheepshead Bay Speedway and Sports Arena will be formally opened the eastern owners and drivers of high speed racing cars will be afforded an opportunity of testing what promises to be one of the fastest tracks in existence. After an automobile parade, under the auspices of the Motor Club of New York, will be the race, today there will be time trials and record tryouts over the new two-mile course, which has a surface of wood in preference to one of brick or concrete. Engineers and racing autoists believe that the smooth surface and the curved banks will induce a speed of almost 120 miles an hour on this track which has been constructed by the Vanderbilt family.

The first big prize to be contested for over this course will be the Astor Cup, a silver challenge trophy, donated by Vincent Astor for which there will be five annual competitions at Sheepshead Bay. Each year the cup will be awarded to the driver of the entrant of the winning car for twelve months. At the end of five years the cup will be awarded outright to the entrant whose cars shall have earned the greatest number of points during that period in the annual races. In addition to this trophy cash prizes amounting to \$50,000 will be divided among the placed drivers in the event a \$20,000 in gold being apportioned as the winner's share.

Two weeks hence, Saturday, October 2, the initial Astor Cup contest will bring together thirty-two of the fastest drivers in the world, and will be manned by foreign and American drivers whose skill and daring are unquestioned and experts predict that the Astor Cup inauguration race of 350 miles at Sheepshead Bay will be the greatest of all speed struggles during which new records will be established. It is expected that the average speed of the winning car will exceed 100 miles an hour.

George F. Slosson, the veteran billiard player, whose balt-line cue work has won him an enviable reputation internationally, has decided to leave the ranks of the three cushion carom players. He will represent New York in the Interstate League contests which will begin next week and continue weekly in New York City. In addition to his strong balt line play Slosson for many years has been considered a master cueist at single cushions and his many friends predict that at the beginning of his new career, equally adept. The entry of "The Student," as Slosson is familiarly known in the world of billiards, will add a great deal of interest in the coming season. In addition to the following cities: Chicago, St. Louis, Detroit, Cincinnati, Toledo, Buffalo, Rochester, Boston, Philadelphia, Brooklyn and New York.

In winning the National tennis singles title at Forest Hills recently, William Johnston, of San Francisco, played seven matches in eight days defeating in turn: H. H. Hackett, C. C. Pell, D. A. Watters, K. H. Behr, C. J. Griffin, R. N. Williams and M. E. McLaughlin. At the beginning of his career from the Pacific coast found himself in one of the hardest sections of the draw and his feat in coming through and winning the championship left no question in the minds of tennis followers as to his right to the ranking of foremost player of the year.

A study of Johnston's section of the draw and the record he made therein shows that he played and won seven matches against the best of the eastern and western racquet wielders. During these matches Johnston faced opponents in twenty-seven sets of which he captured all but six. Reduced still further the score sheets prove that his progress through the tournament was accomplished by playing 245 games of which he won 163 and lost 106.

The complete record of the tournament which opened with an entry of 128 players showed three defaults in the sixty-four matches after which every contestant was on the baseline when the umpire called "play." As a result there were 124 matches held aggregating 445 sets and 4,183 games.

The complete record of Ty Cobb's ten years in major league baseball is a clear index of the wonderful ability of this diamond star. Cobb joined the Detroit club on August 26, 1905, and during the decade in which he has played for the Tigers has rolled up a grand batting average of .358 in 1,239 games. At this time he has won 1,238 hits and 685 times making 1,238 hits and 875 runs. He also has 485 stolen bases to his credit, an average of 48 and a fraction, a year.

That the National game still holds a big corner in the hearts of Americans was never more clearly demonstrated than when a few days ago President Wilson picked up a ball out on the diamond at the opening of a game between amateur teams near Washington, D. C. The occasion was to raise funds for the entertainment of veterans at an encampment. Although matters of grave international importance had been discussed earlier in the day by the President and Secre-

## LEONARD PUZZLES DETROIT HITTERS AND BOSTON GAINS

Notes.

Boston, Sept. 18.—The Red Sox today with two games scheduled for Eastern gridirons. The Carlisle Indians will line up on their home field against the Albright college eleven. The Redskins generally pile up a generous score on Albright, which immediately drops out of sight for another year. "The work of the Indians will be watched closely this year, because they will be minus the service of Glenn Warner, who is instructing the University of Pittsburgh squad. The other game scheduled for today is Bucknell vs. Bloomsburg, Pa., Normal school.

The Detroit Tigers looked like winners Thursday when they had good pitching, but yesterday when Jennings' men had poor twirling the Red Sox made them resemble back lot performers. In order to take the lead in the race the Tigers must win the remaining games in the series.

So much talk has been aroused over the big league races that the wonderful struggle in the International league has been overlooked. The season closes this afternoon with the pennant winner still undecided. Providence held the lead practically all season until this week when Buffalo spurted to the front. Buffalo plays two games with Jersey City today and if the former club wins one of them the pennant will be Buffalo's. If, however, Buffalo should lose both games and Providence win both its games at Toronto, Providence will again win the flag.

Helene Zimmermann, the Chicago infielder, must have used hard words to Umpire Eason. President Tener of the National league announced that Zimmermann's suspension will be indefinite. Perhaps Eason has formed the habit of singing as he toils. Umpire "Lord"

## SEELEY GETS IN SEMI-FINALS AT PIPING ROCK CLUB

New York, Sept. 18.—What might be called an orgy of matches took place at the Piping Rock club yesterday, when the first and second rounds of match play were run off in the club's annual invitational tournament. No less than six sixteen were provided for, double the size of the tournament planned originally by the committee.

As the result of the competition, Gardner W. White, of Flushing, will meet W. Parker Seeley of Brookline, the medalist, in the first semi-final contest for the chief cup today, while in the other Percy R. Pyne, 2d, treasurer of the United States Golf Association, will have as an opponent James R. Hyde of South Shore. The most prolonged match of the day was that between Pyne and George T. Brookaw of the home club. It was carried to 20 holes before Pyne became the winner. The former intercollegiate champion was 2 up at the fifteenth hole, but in the next three holes he dropped his advantage.

Seeley defeated the new intercollegiate champion, Francis R. Bloomson, on the home hole, and Hyde, tearing off 36 of the outward trip, easily disposed of John N. Stearns, 6d.

## Brooklyn Decreases Phillies' Lead When Chicago Is Defeated

Chicago, Sept. 18.—The Robins, taking a decisive lead in the third round of yesterday's struggle, won, 7 to 5, Smith lasted until the eighth, when two hits and a costly boot by O'Mara and a wild throw by Getz gave the Cubs two markers with two men on and only a base hit required to tie up the game. Rucker was called and stopped the Cubs with his slow ball. Lavender was knocked all over the lot in the third. The Robins punched five hits and, assisted by a walk, a boot and a passed ball, gathered five counts.

The pastime of umpire-baiting was pushed aggressively. Byron was insulted for his opinions on strikes, and Orth was hooted for ten minutes for deciding on the bases. Finally, resting on the bench was chased to the shower. Zimmermann, who was suspended for three days for a clash with Umpire Eason, was informed today by President Tener that the suspension would be indefinite.

By winning yesterday the Robins gained a game on the Phillies.

## Crack Drivers in Big Auto Races At Naragansett

Providence, Sept. 18.—Twenty-one drivers, including several racers of national prominence, were entered for the 100 mile sweepstakes arranged for the opening of the new Naragansett Park automobile speedway today. Among the entrants were Ralph DePalma, Bob Burman, Harry Grant, Ralph Mulford, Paul Sartori and Tom Alley.

A 25 mile free-for-all also was on the program and Burman planned to make an attempt to lower the one-mile circular track world's record of 46 1-5 seconds established by Louis Disbrow at St. Louis.

## REMINGTON YOSTS VS. SINGERS

The Singers will be seen in action again at Yost Field tomorrow afternoon. This will be the fourth game of the series and Manager Andres will have to win or the series will go to the Removs.

Both clubs are about on a par and it is a toss up which will win. The game will start at 3 P. M. and the batteries for Remington Yost will be Finn and Berlin; for Singers, Champion and Lavery. Lew Silva will umpire.

## Wagner's Watch Tower

Notes.

Byron when the bleacherites jeer him hums jauntily "The rabble is upon me."

No pitcher in the past two months has been twirling better ball than Toney of Cincinnati. He blanked the Phillies yesterday and tightened the National league race a little. And yet Toney was sent back to the minors several times because he was not considered good enough.

In the old days scouts used to scorn a minor league pitcher who wore spectacles. They said he would never do in the big show. But this superstition no longer holds good. Mead, of the St. Louis Cardinals, is considered a good twirler and Carmen P. Hill, a youthful boxman secured from a small league in Kentucky, pitched the Pirates to a shutout over the Giants yesterday.

The Remington-Arms team will play the Rosebud baseball club at New York park tomorrow afternoon. The Arms boys have made a fine record this season and expect to win tomorrow.

Harvard is evidently going to play a more open game this year. Joe Plpal, coach at Occidental college, California, coached the Crimson squad in passing yesterday. Although Harvard has not made a specialty of forward passing the Cambridge boys have been able to put them over when necessary. Those who saw the Yale-Harvard game last November will recall the perfect pass from Eddie Mahan to Hardwick, which resulted in Harvard's first touchdown.

Parker Seeley the Brookline golfer, is having a gay time this season. Life with him is just one tournament after another.

Carey, Pittsburgh, leads in stolen bases with 36. St. Louis is first in club batting with .259 and Cincinnati next with .251.

The leading batter in the International League is Gilhooly, Buffalo, .337. Gilhooly leads in stolen bases with 54.

The Byplay Minstrels.

"Mr. Interlocutor, can you tell me the most ill used portion of the human body?"

"No, Mr. Bones, I cannot. Will you tell us?"

"The eye, Mr. Interlocutor."

"And why is the eye the most ill used portion of the human body, Mr. Bones?"

"Because it is under the lash all day and gets a good hiding every night."

"After the killed and mangled have been identified by their relatives Mr. B. Oesle Pypes will render that pathetic ballad 'Don't Throw Away Your Heart Over For Winter Will Come Some Day.'"

Correct.

Don't brag about the past, old shirk. Your record will allow. What counts is how you do the work. You have in and right now.

So They Are.

Says Luke McLuke: "There are not many sure things in this world. But here is one of them: 'A woman is always older than she thinks she is.' So's a man. People are a great deal alike.—St. Louis Globe-Democrat."

Say Not.

Your other hopes may not come true. Your luck may seem disappointed. But when you look for trouble you will not be disappointed.

Ever Notice It.

A man will tramp his feet in shoes. And brag that he wears 7s. But when you look at his shoes he shows His feet look like 11s.

The Beardless Barbers of Beardtown.

A firm of lady barbers has rented a room in Blandineville and will open a shop next week. The Star-Gazette employs the married women's club will employ a man to stand near the door and report all married men who enter to their respective wives. No tab will be kept on bachelors, and it is expected they will have their beards cut out by the roots if constant shaving will do it. Sure.

"I wonder what has become of the old fashioned dime novel?" remarked the old fogey.

"It has gone up to a dollar and a half," replied the grouch.
